DrPH Advanced Practice Leadership in Public Health

**Concentration:** Advanced Practice Leadership in Public Health (Code: APR)
**Delivery:** Online

The DrPH prepares advanced practice professionals for leadership roles in practice-based settings such as health departments, nonprofit organizations, health services, international agencies, and community-based organizations. Accordingly, the emphasis of the DrPH is placed on fostering advanced expertise and leadership in developing, implementing, and evaluating evidence-based public health practice.

**Program of Study**

If you have questions on your program, please contact the Doctoral Training office at cophdoctoral@usf.edu.

If you are a current student, you may view your current progress in Archivum at usf.appiancloud.com/. (See Archivum instructions.)

If you are not a current student, or want to view program requirements from a different catalog year please use these sources:

- 2020/21 USF catalog DrPH planner or COPH catalog section
- 2019/20 USF catalog DrPH planner or COPH catalog section
- Any prior year please view the USF Graduate Catalog Archives

There may be circumstances in which a student may need to change their catalog year. This must be initiated through a discussion with your academic advisor. Details regarding USF policy on changing catalog year can be found at https://catalog.usf.edu/content.php?catoid=12&navoid=1375#students-major-degree-requirements.
